

## Ready For Art Basel? Here Are 15 Women Artists Who Will Be Exhibited In Miami Beach

REBECCA VIPOND BRINK DECEMBER 3, 2015

Whether or not you'll be able to make it to Art Basel this weekend, there's plenty to see—the show's website includes information about photos of the artworks that are going to be exhibited as well as the show's sectors and artists. To celebrate the show opening tomorrow, here are fifteen extraordinary artworks from female artists who will be exhibited at Art Basel:

Rosalyn Drexler, *The Dream* (1963): Drexler was part of the original wave of pop art that included Andy Warhol and Roy Lichtenstein, but never achieved the same status as her male peers, partly because her work addressed political themes.
