Peter Blake

### ***Peter Blake: Collage (Thames & Hudson; Waddington Custot)***

This new book features the classic pairing of legendary British artist Peter Blake's collages, with a foreword by David Hockney. Collage brings together images from throughout Blake's career, focusing on the medium he is so known for, perhaps most widely recognised for his riotous album cover for The Beatles' Sgt. Pepper's Lonely Hearts Club Band. Blake was a central figure in the British Pop art movement, and his works are celebratory and full of life, capturing the height of Swinging Sixties colour, joy and self-expression.
